Membership Renewal & 2020 Conference Registration Instructions

Become a Member, Renew Your Membership, Register for Conference

If you are not currently a member, SCCTM recommends joining before registering for the conference in order to take advantage of reduced member conference rates. The cost of membership plus the discounted member conference rate is much less expensive than the nonmember rate.

To receive the free conference rate, you will need to renew your membership with SCCTM, rejoin, or join SCCTM before registering for the conference without a fee. You will receive a registration code.

When paying on-line, you do not need the paper form.

Leave payment pending when paying by check or PO.

1. New members, go to SCCTM.org and click "Membership" to create your SCCTM account. (For previous members or conference attendees, your user name is the email address that you used previously with SCCTM. You will see the "forgot password" link if you need your password.)
2. There will be two choices for payment, "Pay online or Invoice me." Make your choice.

If you have attended an SCCTM conference or been a member in the past, you have an account with SCCTM. If you create a new account, you may receive a bill for membership from the "old" account. If you have changed districts and can't access your account, please email your name and other information (old and new) and your account can be updated. director@scctmconference.org
