

Christi Fricks

Christi Fricks has been teaching middle school math for 25 years. She is currently teaching 7th grade math at Riverside Middle School in Anderson School District Four. She holds a Bachelor's degree in Elementary Education from Lander University and a Master's degree in Curriculum and Instruction of Mathematics from the University of Texas at Arlington. She has earned Gifted and Talented endorsement as well as National Board certification. She is the 2008 Awardee of the Presidential Award for Excellence in Mathematics and Science Teaching. She is the math department chair at her school. She was named 2019-2020 Anderson 4 District Teacher of the Year and recently completed her term on the teacher forum.

She is an active member of the National Council of Teachers of Mathematics (NCTM), South Carolina Council of Teachers of Mathematics (SCCTM), South Carolina Leaders of Mathematics Education (SCLME), and Council of Presidential Awardees in Mathematics (CPAM). She served on the Executive Board of SCCTM from 2010 to 2022 as Middle School Vice President, President-Elect, President, and Past President, and NCTM representative.

She enjoys sharing her love of math with others as she presents at conferences on the local, state, and national levels. Christi has a passion for teaching math and relishes the challenges of middle school. She lives in Pendleton with her husband, Scott. Recently, her son, Garrett and his wife, Karson welcomed their new baby boy to the family so Christi is enjoying being baby Cruze's Granny.
